Class will consist of about 1 hour of class time, with an overview of basic firearm safety and handling of firearms. There will also be about 1 hour of range time, with all participants shooting 22 caliber revolvers and pistols. Larger calibers will be available for anyone wanting to try one.

Participants do not need to bring a firearm or ammo.

Class fee will be \$20.00. This will cover the \$12.00 range fee and an \$8.00 donation to the program.

Please contact Diana Pinto for further information or to register. Class size is limited, so please call to reserve a spot.
